Launch of Morris Oil Website

Following the successful launch of our new website www.morrisoil.ie we are delighted to offer the most competitive prices. An independent survey on 22nd November showed that **Morris Oil** is the most competitive oil company in their catchment area. (Kerosene 1000L)

Our first online promotion was a huge success and we are delighted to announce that Pamela Fitzgerald Clonmel is the winner, winning the price of her oil back, just in time for Christmas.
